Drennan-extradiction hearing, Sacramento, 8/26/68 8/27/68, 12:25p

Kevin

Art was in Sacramento to cover the Drennan proceedings. While he was there he bumped into a friend who he regards as trustworthy, connected with CII (State). They were discussing the previous proceedings in the judge's chambers.

The friend said to Art, "Why don't you ask his friend, Joe Ball, about it?"

Art asked him the relationship between the judge and Ball.

"The best of chums", he was told.
